Introducing the new AquaLock® by Pro-Am. The safe choice for wet area flooring.

AquaLock improves safety and enhances pool surrounds, showers, spas and change room areas.

AquaLock is:

Easy to clean as it requires no special equipment, just hose down and mop.

Hygienic as each panel is anti-bacterially treated.

Lightweight and durable and its easy to handle, just roll it up for maintenance.

Economical so you can cover surfaces of any length, width or shape.

Modular and simple to install with panels that interlock.
